With an undeniably romantic flair coupled with deeded rights to Willowmere's private beach, this home is a dream come true! Original plaster walls, beamed ceilings, built-ins and wood floors define the original space and are complemented by thoughtful additions and updates. Formal rooms, eat-in kitchen, library/den and sun room complete the first floor. A master suite with vaulted and beamed ceiling has a sunny exposure and spa bath. Also on the second floor are three family bedrooms and two additional bathrooms. The finished lower level offers rec space and plentiful storage.
